

TO BE COMPLETED AT TIME OF REGISTRATION & WHEN IMMUNIZATIONS UPDATED

Child Care operators are required by the *Child Care and Early Years Act, 2014, Reg 137/15, s.35* to ensure that all infants and children attending a child care centre are fully immunized as recommended by the local Medical Officer of Health, or have documentation in writing of the parent/guardian's reason why the child is not immunized. [Please note that once your child attends school, additional documentation is required under the *Immunization of School Pupils Act* if you choose not to immunize. Please contact Hastings Prince Edward Public Health (HPEPH) to discuss your options.]

Complete the following section and attach a copy of your child's immunization record (ensure **child's name and date of birth are on the record).** A copy of this information will be given to and kept on file by HPEPH. Public Health staff will review immunization information on each child enrolled in a Child Care program. If your child's immunizations are not complete you will be contacted by either your Child Care Centre or HPEPH.

Immunization records and updates are *NOT* automatically provided to public health by your doctor.

There are three options available to update HPEPH with your child's immunization records:

- Phone: 613-966-5500 ext. 221
- Fax: 613-966-8145
- Email: CDCIMM@hpechu.on.ca
